

Examination Results – AMEB and Trinity College London

AMEB Gold Award

Congratulations to **Shumo Grygoruk** (Electric Guitar) and **Zachary Wang** (Percussion) on receiving the AMEB (Australian Music Examinations Board) Gold Award.

From the AMEB website:

***The AMEB Award** is a development program that supports and acknowledges the efforts of a developing musician, dancer, actor or performer.*

.... artistry goes beyond practice and exams. You can contribute to the performing arts in various ways, both on stage and behind the scenes. The AMEB Award is a structured program that offers you a different perspective and the opportunity to expand your creative community and celebrate your successes.

AMEB AWARD VALUES:

- Leadership
- Community
- Creativity
- Entrepreneurship
- Collaboration
- Assistance & Support

A recent award scheme (started in 2023), the program is overseen by the AMEB Head of Federal Examining (Melbourne). Shumo and Zachary were required to submit not just playing tasks, but also activities and events that benefitted the community.

Shumo and Zachary joined **Jacob Aziz** (OC 2024) to bring 3 Gold Awards to BBC in 2024. A wonderful effort!

Examination Success

Congratulations to the following students on their recent examination results through the Australian Music Examinations Board (AMEB) or Trinity College of London (TCL). These examinations were sat at the end of Term 4, 2024. We also take the opportunity to thank and congratulate their teachers and associate artists for committing time and effort to help these students to achieve their goal.
